Profile

I am a reliable student who has mainly manufacturing work experience due to family business, but I am willing to obtain new skills to provide a high standard of customer service. From previous work experience I enjoy working independently and use my organizational and time management skills to achieve certain tasks. I am willing to work overtime or cover on short notice and can begin at any time.

Experience

Bar Staff / Shift Lead at The Antelope/ The Hourglass/Belle Vue in High Wycombe, Buckinghamshire

April 2024- August 2025

Experience with dealing with customers, taking orders and helping with issues that may occur. I'm also trained to cash up at the end of the night, taking deliveries etc.

6 Months Summer Work Experience With E+I Engineering/Vertiv

Over the summer I did a total of 6 months of work experience within the EMS (Energy Management System) department.
